

CAN UNDERSTANDING THE BIBLE IMPROVE YOUR LIFE?

Soaring inflation, a broken health service, rising fuel prices, war in Ukraine, global warming... yes there are so many things that destroy our personal and happiness. Where can you find answers to these challenges of life?

Christians would say that the Bible has answers to these and many other questions, but the Bible is not an easy book to understand. Did you know that it is not just one book but a library of 52 books written by more than 40 different authors over a period of 1,500 years?

The Old Meeting House Congregational Church in Colegate, Norwich, which is the oldest chapel in the city and was first gathered in 1643, is going to run an 8-week interactive course which has been developed by the Bible Society. The Bible Course unpacks the story of the Bible in a simple, easy and interesting way. Each person works from their own attractive workbook which costs £4.95, this is the only cost of the course to you.

Each session will last for around 90 minutes and will not only provide you with an opportunity to get to know others over tea and biscuits but offer time for personal reflection. Places are limited so please book your place with the Church Secretary, Pearl Bayliss by phone on: 07342852987 or by email: oldmeetinghousechurch@gmail.com

The weekly course will start on
Tuesday 11th October
at 2.30pm

and will be held in the
Piell Room at the Old Meeting
House Congregational Church
which is in Colegate.

Look for the blue sign before
you reach the Octagon if you are
coming from Magdalen Road. If
you come by car the nearest car
park is the Golden Dog Pay &
Display Park which is adjacent
to the chapel.
